In order for a man to get his heart back, he's got to take a journey.

Fully Alive! Boot Camp is based on *Wild at Heart Boot Camp* lead by Christian author and counselor John Eldredge, author of *Wild at Heart*, which is a four-day quest into the recovery of the masculine soul. *Fully Alive!* encompasses video presentations of John Eldredge plus live presentations from local Christian men.

Through teaching sessions that go deep into the message of *Wild at Heart*, guided times of personal reflection, and optional adventures, *Fully Alive!* is more than a retreat – it is an expedition, a journey of the heart. You will never be the same!

Please note that this is a CAMPING event. You will need to bring your own camping gear. Space is limited so smaller tents (7'x7') or shared cabin tents are encouraged. If you cannot provide your own equipment, we will do our very best to accommodate your need. Some tents, air mattresses, and sleeping bags are available on a first-come-first-serve basis.
